KTM POWERWEAR COLLECTION 2021

KTM TERRA ADVENTURE PANTS

The innovative, versatile and extremely well-ventilated adventure pants are an absolute must have for globetrotter's and adventure riders!

The KTM TERRA ADVENTURE PANTS have two large ventilation options on the thighs, an adjustable magnetic belt system as well as a removable thermal lining and a removable, waterproof membrane.

With these pants you are really well prepared for all eventualities on your journey!

Fits perfectly in combination with the KTM TERRA ADVENTURE JACKET.
