This document consists of no. 4 numbered pages.

1. Description of the Personal Protective Equipment

Type of PPE: Protective gloves for motorcycles riders

In conformity with the technical standard: EN 13594:2015 "Protective gloves for professional motorcycle riders - Requirements and test methods"

Gloves size: L

Gloves length (mm): 270

Gloves width (mm): 130

Gloves weight (g): 193

Knuckle size: /

Product designation: GP5 GLOVES

Variants: Eight colour variants provided: G1011 (white/black), G1012 (white/black/red), G1013 (black/white), G1014 (black/white/yellow fluo), G1015 (black/white/blue), G1016 (black/white/green/red), G1017 (black/white/green) and G1018 (black/white/orange fluo)

Trade mark: Three trade marks available: GIMOTO, KAWASAKI by GIMOTO and KTM by GIMOTO

PPE category: II

PPE description: For the list of the material used see picture below. Glove is produced in 7 sizes: XS, S, M, L, XL, XXL and XXXL. The glove is closed on the wrist by means of two velcro straps and it can be adjusted by means of another velcro strap passing into a plastic buckle positioned in correspondence of the wrist line. Variants G1011, G1012, G1013, G1014, G1015 and G1016 are commercialised with the brand "GIMOTO" while variant G1017 is commercialised with the brand "KAWASAKI" by GIMOTO and variant G1018 is commercialised with the brand "KTM by GIMOTO"; the device is commercialised with the name "NINJA LEATHER GLOVES" under the brand "KAWASAKI by GIMOTO" and with the name "KTM GLOVES" under the brand "KTM by GIMOTO".

The present EC Type-Examination Certificate is the first revision of the previous one issued by Dolomiticert in date 08/01/2016 with number EC 16-0001. This revision considers the introduction of the variant G1018 under the brand "KTM by GIMOTO", the increase of the thickness of the kangaroo leather for all variants and the introduction of the material "kevlar" under the kangaroo leather in the palm face of the device for all variants.

5. Note and instructions for the user:

Terms and conditions under which the Certificate is issued

- Marking and instructions were examined in **Italian**. The supplying and the obtaining of versions in languages accepted by the countries in which the product is sold are under the complete responsibility of the Manufacturer or of his authorized Representative.
- Any variation to the product, to the technical file or, in the provided cases, to the manual or to the quality control procedures, shall be notified in time to Dolomitcert.
- The Manufacturer or his authorized Representative shall respect the procedures and the regulations provided by Dolomitcert for the EC Certification.
- Copies of this Certificate, supplied to third parties, shall be reproduced in their entirety.
- The present certificate shall be carefully kept by the Manufacturer to be shown, on request, to the Organism of control or to the Vigilance Administration.
- The present certificate remains property of Dolomitcert, which can ask for it back if some of the above mentioned conditions are not respected.
