Husqvarna Factory Replica Stacyc

12eDrive, 16eDrive

Colour and graphics

- › Colour and graphics inspired by the Husqvarna Motorcycles factory machines.

Light weight - 7.7 & 9 kg

- › Child can pick up bike and manage on their own after a fall or dropped bike.
- › Child quickly able to build skill as they can handle the bike as it's less than half their body weight.
- › All family members willing to manage as bike is easily transported in back of car.

Tapered foot rests

- › Race inspired ergonomic placement for proper body and foot positioning when standing, teaching proper bike riding skills.

Ultra-low seat height

- › Inspires riding confidence by allowing riders feet to be firmly planted on the ground.
- › Allows child to "dab" foot easily when off balance.

Twist throttle

- › True power curve built into throttle programming.
- › Teaches child how to operate a twist throttle and manage power output.
- › Not a push button toy or on/off power curve.

12eDrive

16eDrive

Husqvarna Factory Replica Stacyc

12eDrive, 16eDrive

Quick change lithium-ion battery

- Removable power tool style interface.
- Allows additional batteries to be used for extended ride time:
Stacyc 20 Vmax 5 Ah Battery
3AG210052700
- Technology that allows all family members to be familiar with, and not afraid of.

Stacyc vs bicycle

- Ability to learn bike handling skills confidently without having to pedal at the same time will accelerate a young rider's confidence.
- Ability to reach the ground comfortably allows riders to learn without training wheels.
- Extend ride time by increasing fun factor.
- Kids 3-5 are typically willing to ride further than on a traditional pedal bike.
- Similar weight to kids BMX bikes.

Warranty

- Six-month warranty, twelve-month implied warranty

Point of sale display

HQV210014INT

- Purpose built display that showcases one 12eDrive and one 16eDrive.
